Sleeping and dreaming of honorary
mentions

A grand nomination

Hello.

The premiere of our documentary Suburban Madness was a success and we're now submitting the film to festivals. Our short drama, The Theory, is currently in post-production, but at least we've got one film that takes us places. From it's previous success in Taipei to - just recently - Sweden!

Sleeping and dreaming of honorary mentions

Our animation Sleeping and Dreaming of Food (Att Sova och Drömma om Mat) was part of the (out of competition) regional programme at Uppsala Short Film Festival and we received an honorary mention!

The motivation:

"For an inventive and atmospheric piece of animation that skillfully and confidently straddles the divide between two art forms." Uppsala Short Film Festival

We even made it into the local paper as we're giving our thanks.

A grand nomination

The film will screen at Stockholm Film Festival after all! I'm one of ten directors nominated to the prestigious 1 km Film scholarship at Stockholm Film Festival!

For this reason, our latest film Sleeping and Dreaming of Food will once again screen in Sweden together with the previous films by the other nominees. So for you who missed the screening in Uppsala, you have a second chance on Nov 19th at 5.30pm at Filmhuset.

Here's Stockholm's write-up about the film:

"Eva-Marie Elg gör Kolbeinn Karlssons underliga serie med samma namn till en om möjligt ännu mer bisarr film. Ackompanjerade av Kallioinias mystiska musik- och ljuddesign ges serierutorna nytt liv i drömskt perspektiv." Stockholm Filmfestival

This time it's free so make sure you book your tickets in advance [here](#).

In other news

We've got some press lately. Check it all out at [our website](#).

Bye for now,

Emie (Eva-Marie Elg)
