### Fovea Film Club at Cafe Oto

We are very happy to see a friend of ours starting the Fovea Film Club, which is a

monthly film night that takes place at Dalston's local art and music venue, Cafe Oto. The Fovea Film Club aims to promote rare films that never got the attention and distribution they deserve.

The next screening which takes place on Thursday, August 28 is of Kenji Mizoguchi's Chikamatsu Monogatari.

### In Other News

I (Emie) have just launched my personal website, [www.konststudio.com](http://www.konststudio.com) (konst is swedish for art) and it focuses less on film and more on painting, if anyone should find that interesting to look at.

That's all for this time, will be back with more updates and news soon. Now, make sure you go and check out what all our talented friends are up to. Bye for now,

Emie (Eva-Marie Elg)
